**THROUGH :** **DR. ALI AL EHAIDEB**  
Dean  
College of Dentistry, KSAU-HS

**FROM :** **DR. AHMED JAMLEH**  
Chairperson, Research Unit  
College of Dentistry, KSAU-HS

**SUBJECT :** **CORRESPONDING AUTHORSHIP**

In order to promote high ethical standards in the conduct and management of research, the **Corresponding Author** for all research works, publication or scientific communications involving students or interns **must** be a **faculty member** who is affiliated with the COD, KSAU-HS.

Related to this issue, the revised IPP “**Conducting Research at the College of Dentistry (COD)**” includes the following amendments:

4.9.4 The corresponding author for all research works, publication or scientific communications involving students or interns must be a faculty member who is affiliated with the COD, KSAU-HS.

4.19.7 The corresponding author is a student or intern rather than a COD, KSAU-HS affiliated faculty member, providing that the project is approved by KAIMRC and conducted in the COD.

For the **Principal Investigator's** strict compliance.
